

Dear Pastor Chang,

Thank you for always able to come to Advent! The two years I've been here, you've always been a calming presence knowing you are here leading once again, I love that when you talk or give sermons you always make it fun and easy to understand. Thank you for being our pastor during advent and even coming to our school on a Friday. We love having you around. Remember to keep being handsome! You ~~are~~ ^{are} ~~seem~~ like one of us, always hanging around, laughing and looking young. I wish you the best in your walk with the Lord!
