

Dear Pastor Chang,

Thank you for coordinating ADVENT this year. You have a great sense of humor and are very handsome. This year has been particularly important to my spiritual growth and the experience was one I was really happy to have.

Thanks for all the ~~hard~~^{hard} work you put in this year to make ADVENT happen and especially those words you gave me about being the best me God ^{has} ~~allows~~^{built} me to be.

God Bless,
Christy Chen
