

Dear Pastor Joseph & Pastor Esther,

Thank you so much for so much for hosting ADVENT this & putting in so much time. I'm glad I came back this year & was able to participate.

Thank you Pastor Chang for the food throughout ADVENT in Taiwan & keeping us well-fed. Thank you also for always making sure our students knew where all the US states were located. It was also a test for me. Pastor Esther, thank you for your prayer at healing. It meant a lot to me! :) I'll ~~be~~ hopefully be back next year & I will do my best with planning~ :)
