

Pastor Chang,

thank you for organizing this ADVENT event this year! Thank you for all the FOOD you constantly bought for us during ADVENT and leading us through our two weeks as teachers. Thank you in Boot camp for teaching us how to share our testimonies and gospel in the most fitting way. I learned a LOT from your sermons and how to expect the UNEXPECTED and heavenly currency. Thank you for making this trip life changing for me spiritually, mentally, and physically! I can't wait to come back next year!

Krystal Wu

thank you
for every-
thing!
