

pastor Chang!

Thank you so much for all the work you have done for us. you helped us in times of need at boot camp & during teaching. Thank you for taking your time to go back & forth from Tainan & changhua. Your hard work to make us well fed paid off, because every

night we went home/back to our dorms full! we had way too much food every night, but it was all so good. Thank you for just thinking of us so that you would buy so much food for us. You blessed the whole Tainan team.

One last thing, thank you for going to the schools & taking your time to ask the kids this & that. Thank you for boot camp, before ADVENT teaching started. because of the station, I was able to be more confident in my testimony & gospel sharing. Thank you for blessing each & every one of us with your teaching & sermon. God bless,

Melody
