

Pastor Chang,

I just want to thank you so  
much for doing so much to keep ADVENT  
going each year. You truly do so much  
for so many people and so many  
lives. May God continue to bless you  
and your family. You are such a blessing  
to everyone in the room, and you're

so kind and nice to everyone. I know  
we didn't get to talk much, but  
I know that you are very close to

others within our church. I hope  
that I can get to know  
you more and that ADVENT  
continues to get better and better. Once  
again, thank you so much for  
all the work you do, and may  
God continue to bless you.
