

Dear Pastor Chan,

though you may not know me, I  
want to thank you for everything you  
have done for the Tainan team.

You were always buying us many  
food each day. And not only that,  
but each time you went up to  
speak, I always learn alot. You truly  
are a man of wisdom. There are  
many things I've learned that  
I've never learned before.

You are also incredibly  
funny. are your jokes in  
my opinion are hilarious. Thank  
you so much for everything  
you've done for the Tainan  
team, and your connections you  
have that helped us. Thank

you Pastor Chan I hope to see  
you again and to learn  
more from you. :-)
